Lunghezza cavo	2,4 m
Accessori	Charging stand, blade set adjustment tool, shaving preparation brush, cleaning brush, oil, blade guard
EAN	0043917002897
Unità	6
Colore	silver

PRECISION BLADE

Wahl's proprietary, high visibility, T-Blade features DLC coatings to keep blades strong. The blade stays cool for longer and sharp 8x longer. Zero overlap "0" possible for extremely short cutting lengths.

ADAPTIVE SPEED CONTROL

The motor speed adapts to hair density and thickness, creating the cleanest cut for each pass.

POWER

Get 135 min of run time on a 45 min charge. Power up with weighted charging stand, 5V charging cable, or standard USB-C.

ERGONOMIC DESIGN

All metal and well-balanced, the ComfortCurve™ design makes a full day's work a lighter lift.

IDEAL FOR

Precise detail work on hard-to-reach areas such as the face, neck and around the ears.
